

# ONLINE COMPETENCY ASSESSMENT

## LEADERSHIP IN MEDICINES MANAGEMENT

### WHO IS IT FOR?

The competency assessment is designed for Managers and Senior staff who are trained to take on the roles of:

assessing staff competence

auditing medicines within their service

managing medicines errors and incidents

escalating medicines-related issues to the appropriate healthcare professional

### WHAT TRAINING DO I NEED TO HAVE DONE PREVIOUSLY?

We recommend that learners have an in-date certificate for the following courses:

Safe Handling of Medicines Foundation Course

OPUS Assessors Workshop for Medicines Handling

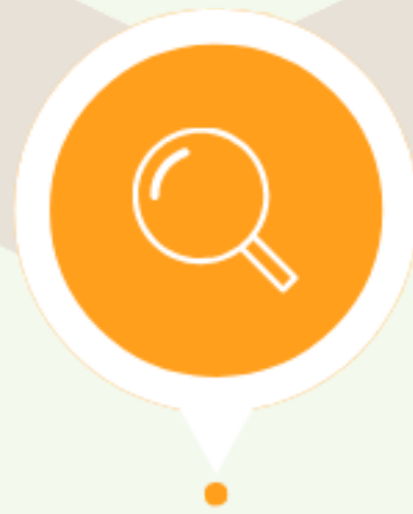

OPUS Medicines Audit & Incident Management

### HOW DOES IT WORK?

#### CONSIDER

Consider real life scenarios and answer a randomised selection of questions to assess your competence.

#### REVIEW

Download your Learning Needs Report to see areas in which you are competent and where improvement is needed.

#### REFLECT

Consider the questions that you didn't get right and review any learning materials to support you in your development.

#### RETRY

Re-attempt any questions you got wrong.

#### DOWNLOAD

Download your completed Learning Needs Report and your certificate of successful completion.

Can be completed from anywhere

Suitable for all sectors

Developed by trusted OPUS Pharmacists

Takes 30 - 40 minutes to complete

### WHY DO I NEED TO DO THIS COMPETENCY ASSESSMENT?

- To evidence to the Regulator that you are putting your training on competency assessment, auditing, and managing medicines errors into practice on a day-to-day basis.
- This course will be particularly useful for Managers and senior staff who need to demonstrate their competency to CQC\*/ Ofsted.
- It will demonstrate your ability to manage medicines effectively and evidence your commitment to reducing errors within your organisation.

\*CQC regulates adult care services in England. This competency assessment is also suitable for services in Wales (regulated by CIW), Scotland (Care Inspectorate Scotland) and Northern Ireland (RQIA).
